

REMARKS

This Supplemental Amendment is filed in order to facilitate processing of the above-identified application. In particular, the Examiner stated that the application would be in condition for allowance if amended to include that the reference table is connected to the lower wheel by a connecting arm. As indicated above, claim 1 has been amended to include this feature. Therefore, Applicants respectfully request the Examiner to withdrawn his rejection to claims 1-3 under 35 U.S.C. § 103.

Attached to this Supplemental Amendment is a Terminal Disclaimer.

Thus, it now appears that this application is in condition for a reconsideration and allowance. Reconsideration and allowance at an early date are respectfully requested.

In the event that any additional fees are due with this paper, please charge our Deposit Account No. 02-4800.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
